

# **COME TO YLLÄS, THE TOP RESORT FOR HIKERS AND BIKERS!**

**Come alone or even with a group to spend an unforgettable autumn vacation!**

Autumn colours are at their most beautiful point on weeks 37 and 38. The sides of fells are lit with red colour of nature.

Pallas-Yllästunturi National park offers outdoor people an enormous pleasure of walking on it's diversified trails.

Every sight more beautiful than the other, top condition resting areas and trails and to make it even more interesting, there is always a chance for northern lights.

Doesn't matter if your hobby is hiking, fast paced downhill biking or more peaceful biking in nature, Ylläs has trails for everyone. Just in the national parks area there are almost 300 kilometers of trails.

There's no worry if you don't own a bike, there are many places that you can rent mountainbikes or fatbikes from.

Holiday resort Seita's location is right next to **Pallas-Yllästunturi National park** offers a great base for vacation.

You can get to the trails right outside our yard and it's lovely to relax on the bench of a sauna or next to your own cabin's fireplace after a hike in the outdoors.
