Finnish Christmas starts of course by having the sauna. In Seita's smoke sauna, made of the 100 years old logs, one can get a relaxing start for Christmas. In bathing barrel one can admire the winter sky. We warm our smoke sauna to our guests on **23th of December 2019**.

On Christmas Eve we will have a traditional Christmas Dinner in our cosy restaurant and it might be that the Santa Claus visits and tell regards from Korvatunturi mountain...
